

West Street Shopping Strip Improvement

Construction Flyer 5, June 2026

Merri-bek
City Council

We're upgrading the West Street shopping strip between Geum Street and Middle Street in Hadfield. Works will be delivered in small stages to minimise impacts and disturbance where possible. We thank you for your understanding and cooperation.

What is happening?

- Stage 2 construction works on the northern side of Geum Street are complete.
- Stage 2A is currently under construction. The new kerb and channel has been completed while maintaining outdoor dining. The road reconstruction of the Geum and West Street intersection is currently underway.
- 2 accessible parking bays have been temporarily established outside the newsagency while we reconstruct the permanent ones outside West Street Bakery.

What is coming up?

- Stage 3, the central median between Geum and Eileen Street will be constructed next.
