

West Street Shopping Strip Improvement

Construction Flyer 8, September 2026

Merri-bek
City Council

We're upgrading the West Street shopping strip between Geum Street and Middle Street in Hadfield. Works are being delivered in small stages to minimise impacts and disturbance where possible. Thank you for your understanding and cooperation.

What is happening?

- Asphalting on the Geum and West Street intersection has been completed. Unfortunately the road line markings have been delayed due to weather and have been rescheduled for Thursday September 3, weather permitting.

What is coming up?

- The next section of road works in the northern part of the service road (see other side of flyer for location) will take place next week from **Monday August 31 to Friday September 4**. Working hours will be **extended until 11pm** to facilitate works outside the busy shopping period. Access will be maintained where possible, but delays may occur. **Night works from 6-11pm** will continue on **Sunday 5 and Monday 6** before returning to regular hours.
