

Do you have a great idea for a one-off community program or project?

This is your chance to submit a project, initiative, or program suggestion that Council could deliver as part of the 2026-27 Budget.

A total of \$400,000 is available (subject to Council budget adoption) as part of the Community Budget Ideas initiative 2026-27.

We want to hear ideas from our diverse community of residents, community groups, sporting clubs, businesses and organisations. One idea per individual/group can be submitted.

Ideas can include program initiatives - they don't have to be physical infrastructure.

Your idea must:

- Demonstrate a strong community benefit
- Cost less than \$160,000
- Be deliverable in the 2026-27 financial year

How does it work?

Stage 1: Contribute

Community ideas are collected.

Stage 2: Support

Ideas are published and the community can vote for their favourites (9 Feb - 1 Mar 2026).

Stage 3: Outcomes

Favourite ideas are brought to life!

Submit your idea by **Sunday, 18 January 2026**. Use this poster or scan the QR code.

We may need to contact you for more information about your idea:
